Our upcoming Council meeting will be held at the West Sacramento City Hall Galleria, 1110 West Capitol Avenue, West Sacramento. The agenda and supporting materials for the meeting are attached, and some additional handouts will be provided at the meeting.

The meeting includes a summary of the soon-to-be-released drought synthesis paper, entitled *Lessons on Drought: Synthesis Report on the Science and Management Actions in Response to Drought Relevant to the Sacramento-San Joaquin Delta Region*. Council staff and other authors of the paper will be on hand to present their findings and answer your questions.

The Council will also receive an update on the implementation of a Memorandum of Understanding with the Department of Water Resources related to the Delta Levees Investment Strategy. To round out the meeting agenda we'll hear from the Lead Scientist and the Council will be asked to consider two contracts for approval.

As always, time for public comment on these agenda items, as well as any item of relevance to the Council, will be available. If I can answer any questions or provide any information, please contact me at (916)-879-8298 or [Jessica.Law@deltacouncil.ca.gov](mailto:Jessica.Law@deltacouncil.ca.gov).
